After the immigration and Migration clearance at the counter you will be
Welcome by your Personal chauffeur Guide at the arrival Lounge.
You will be escorted to Sigiriya.

Sigiriya may have been inhabited through prehistoric times.
It was used as a rock-shelter mountain monastery from about the 3rd
century BC, with caves prepared and donated by devotees to the Buddhist
Sangha. The garden and palace were built by Kasyapa 477 - 495 AD.
Following Kasyapa's death it was again a monastery complex up to
about the 14th century, after which it was abandoned. The ruins were
discovered in 1907 by British Explorer John Still.
Today Sigiriya is famous for its ‘Mirror Wall’, which consists of poems
and paragraphs carved by visitors to the rock many years ago and for its
magnificent frescoes of shapely be-jewelled maidens, vibrant colours and
the water garden similar to the Ajantha frescoes of India.
Sigiriya is in fact, the best-preserved city center in Asia from the first
millennium and has been named as a UNESCO world heritage site and
08th Wonder of the World.
